

## 2022-LONDON KOMODİN

### MONTAJ VE KULLANIM KLAVUZU/ASSEMBLY MANUEL

0501 333 23 52

0850 346 23 52

Montaja başlamadan önce tüm parçaları kutu içerisinden çıkararak montaj kılavuzlarına göre kontrol ediniz. Eğer birden fazla ürün aldıysanız, parçaların ve aksesuarların karışmaması için ürünlerin kurulumunu sırası ile yapınız.

Before start assembling, please check the whole components and accessories according to the lists. If you bought more than one product, to prevent confusion be sure that you completed the first product. Then start the other product's assembling.

Montaja başlamadan önce her parçayı nemli bir bez ile temizleyiniz. Ürünün genel kullanımında da bu temizlik yeterli olacaktır. (üründe kullanılan parça numaralarını sarı güç,aseton veya temizlik malzemeleri ile kolayca temizleyebilirsiniz.)

Before start assembling, please clean all the components with a damp cloth. Also for usual cleaning, this will be enough.

Ürünü mutlaka iki kişi montajlayın.  
The product must be assembled by two people.

Ürün montajını düz bir zeminde yapın  
Parçaları zemine sert koymayın.

Assemble the product on a flat surface; do not place the parts forcefully on floor.

Bu ürünün kurulumu için gerekli olan gereçler.  
Tools required for the installation of this product.

Gerekli araçlar dahil değildir.  
The necessary tools (not included)

Ürün içerisinde gönderilen deprem aparatı ile ürünlerinizi duvara sabitlemeniz tavsiye edilir.

It is recommended to secure your products using the earthquake safety pins included with the product.

Güvenliğinizi önemsiyoruz  
HEDİYEMİZDİR

# DİKKAT!!

Ürünlerimiz minifiks ve kabin vidası sistemlidir. Lütfen montaj işlemine geçmeden önce aşağıdaki bilgilendirmeyi anlamaya çalışın.

# ATTENTION !!

Minifix is the main connection material used in products. Before starting assembly, please check the drawings below.

## ACCESSORY LIST/AKSESUAR LİSTESİ

|                                                                                                                                        |                                                                                                                                             |                                                                                                                                            |                                                                                                                                               |                                                                                                                                |
